WAR INTELLIGENCE.

gis troops a stiened at Sewster Point.

Our informant was shown one of these handsome keepsakes by Cast. Daly Many of the shelle fell in the rest of the encompanent, cutabelia fell in the rest of the encompanent.

shells fell in the rest of the encampment, cutting down trees, Sushes, etc. Our informant
also states the Norfolk is now considered in
such exerts of defense that it would defy the
combine i navy of Europe and America to take
it. The vessels sunk in the harbor render it
altegether impossible for any seemy to come
up to the city, as exhing but small boats can
get inside the river.

The man-of-war Plymouth, that has been
alsed, is in excelle t condition and will

we seek for a parallel to this?

"not merely to defeat, but conquer, to subjuextend the restored like
ence the angry wind, it must not be
to return to peaceful and contented homes.

They must find poverty at their firexides and
see privation in the auxious eyes of mothers
and the river.

The man-of-war Plymouth, that has been
alsed, is in excelle t condition and will

Norfolk would have been one mess of ruins.

A mercilin interposition of providence alone was saved them. The fuse burned down within to secede, therefore, war upon it is justifiable.

When England made war on her rebellious content of the sentiment of the Union men even of upper East Tennessee.

Courier, of Friday last, says:

recent march of the regiment :

our camp near Greencastle, and marching fif. | tion-of those independent States, who merely teen miles, errived here at one o'clock. It ask for self-government and freedom to decide was an awful march, sa you may judge from their own des intes!

erner. The prediction seems to have been speechly accomplished, for a blanket with the full name of the invader was found near the railroad track, where the enemy fied to the

The Lincolnites think it is excessively mean in the confederates to kill them off with their marked batteries and guerilla rifles. It is all States army. The president, eleven new regiments, one of infantry of in the confederates to kill them off with their and president, eleven new regiments, one of infantry of infantry of infantry of marked batteries and guerilla rifles. It is all States army. States army. States army. States army. masked batteries and guerilla rifles. It is all a matter of taste, but they cannot have their choice as to the manner of their choice as the gun or rifle that does the job for him or not whether the shot is fixed by a soll ary warrior, or by one with a thousand more in company. The Lincolnite's to be a lie when he penned it. The increase of the army is one of the president's insurpations—a deliberate and with two lation of his coath, and there's an end of him—he can't have not been increased, and the constitution; congress has been increased, and the constitution; congress are constitution; congress and the constitution in the constitution of the constitution in the const

sale merchants, then, hold a meeting and carry attempt to pawn upon the public such an unin their orders, as soon as possible, to England mitigated falsehood as truth. — Daylou Empire. and France. Thus we shall enable England and France to know something like the amount of goods we shall need of them, which may 30th ult., has the following:

EGREIGN SYMPATHY.

The wrongs of Ireland, inflicted by a tyranical government in consequence of its greed ste Government is in possession of dispatches or power, have taught the intelligent sons of May 21th. We are betraying no secret of the the Emerald Isle to sympathize with all upon Government at Richmond, because our inforwhom an attempt is made to place the iron mation does not came from any member of it heel of oppression, and quick and generous in their impulses, as they are, there soon wells had two interviews with the Emperor. The up from their bearts expressions against tyr- particulars of those interviews we should not The supply of water of Fort Pickens has anny wherever it may be found advancing its state, if we could. But there is no harm in soring that the result was of a character front. In this the following from the Dublin highly gratifying to our commissioners and to ticle. We presume that this also will be cut Nation of the 8th June has its origin, and we the friends of their country. The French Eminvite special attention to this expression peror understands the questions at the bottom Wilson's New York Zonaves landed at the ci on Monday of last week. The Pensacola becreef anys that when they landed, some Gaarran, in favor of the southern cause and form the land of Eumarr, and Cuanan, and Lincoln or any of the northern rolers who are now running the "old wreck" high and dry action of the southern cause and landed the content of the southern cause and landed th THE FRATSICIDAL WAR .- As the news on horseback," says the old proverb, "and h

The Franciculat War.—As the news from lorseback," says the old proverb, "and he included the sacred faith of human freedom, and to make them were that a landing would be attempted by the federalists very soon, but a reflorts to resist any attrex, and their repairments are so complete that no fear need to repair from an entertained of the result.

A report prevailed in some quarters that Brown, of Fort Pinkens, had demanded the vaccation of the navy yard. Perhaps he vishes to quarter Wilson's Zouaves in it, are resulted, they must not be very desirable as close sulgibbars.

It is helleved that the federalists now must be supported that the federalists now must be the result as now passing in America flows in, the language of the northern cannot be very as the old proverb, "and he will ride to the devil." Lincoln and crew are from America flows in, the language of the northerness and of their journals tends more to disgust and ordinate and several the section and deep despair. Well may we despair of popular with the work in the more of the south, and reverse the section, particular and the result.

A report prevailed in some quarters that Brown, of Fort Pinkens, had demanded the provide and the result.

A report prevailed in some quarters that Brown, as they are now in those of the popular will be accession, particular and the result.

A report prevailed in some quarters that Brown, as the new desp

by butchery and slaughter!

If what is now passing in America took place in any of the old world empires, it would be at least intelligible. If the citizens of nearly had an unanimity never surpassed there, and wibal, are completely protected from the fire of the fert. It will not be at all surprising if, before many days, we have the pleasure of chronic? ng another victory as glorious and as bloodless as that of Fort Sumirr.

Jaguela Constitutionalist.

by butchery and slaughter!

If what is now passing in America took place in any of the old world empires, it would be at least intelligible. If the citizens of nearly had an unanimity never surpassed and rarely equaled, declared, by free poll, to open day, by universal sufficient, the navy, and just arrived at that port on her way to the mouths of the Missinsippi river, for their own choice; and the imperial government to one of the imperial government to the purpose of accritating with what effectiveness the blockade is carried on in that open days is to be followed by a number of constitutionalist. merched its armies to crush the demand is the A gentleman quel arrived from various points in Verginia grives us the following account of the war mevements in that State:

General Builer is said to be directing the fire of the Sawver gun on the Rip Raps against the observatory at Newport News, while they are firing, from whence he can see the effect of esch shell. By means of telegraphic connection with the Rip Raps, he is enabled to give his directions as to the range of the gun and discharge. The range of the gun and discharge the range of the gun and discharge. The range of the gun and discharge the range of the gun and discharge. The range of the gun and discharge the range of the gun and discharge. The range of the gun and discharge the blood of the "rebels," it would be nothing new among the despotic systems. But in a great

be got ready for sea in a very short time. The Georgelown is also expected to be raised in a day or two, and can soon be gof ready for sea.

HEGRET exceedingly to be compelled to say a few affect to feet; thence north the words to two classes of my boarders. The first are those who do not pay promptly. It is intoo tole for me to keep my without prompt payment. The other class are those who are dissatisfied with their fare, and the jell-dawnf.

are those who are dissatisfied with their fare, and the
ruler and regulations of the house. I believe the proprintor has a right to his rules, and those who are dissatisfied as we the right and privilege to leave. When
they are dis-stistled they will oblige me to do so. I
hope this notice will suffice. Very respectfully,
jell-3m Praprietor Gayone House. CHANCERY SALE OF A VALUELE LEASEHOLD ESTATE.
